CITY OF WESTLAKE, OHIO
ORDINANCE NO. 1993-48

AN ORDINANCE TO APPROVE THE 1993 CODIFIED ORDINANCES; TO ADOPT NEW MATTER; TO AMEND AND REPEAL CERTAIN OBSOLETE AND CONFLICTING LEGISLATIVE PROVISIONS, AND DECLARING AN EMERGENCY

WHEREAS, a determination has been made that the Ordinances of the City of Westlake, Ohio, of a permanent and general nature should be recodified; and

WHEREAS, Council has heretofore entered into a contract with the Walter H. Drane Company to prepare and publish such recodification; and

WHEREAS, the recodification of such Ordinances, together with the new matter to be adopted, the matters to be amended and those to be repealed are before the Council.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF WESTLAKE, COUNTY OF CUYAHOGA AND STATE OF OHIO:

Section 1: That the Ordinances of the City of Westlake, Ohio, of a general and permanent nature, as revised, recodified, rearranged and consolidated into component codes, titles, chapters and sections are hereby approved, adopted and enacted as the Codified Ordinances of the City of Westlake, Ohio, 1993.

Section 2: That the provisions of this Ordinance, including all provisions of the Codified Ordinances, shall be in full force and effect as provided in Section 5 of this Ordinance. All Ordinances and Resolutions and/or parts thereof enacted prior to January 1, 1993, which are inconsistent with any provision of the Codified Ordinances, are hereby repealed as of the effective date of this Ordinance, except as follows:

- (a) The enactment of the Codified Ordinances shall not be construed to affect a right or liability accrued or incurred under any legislative provisions prior to the effective date of such enactment, or an action or proceeding for the enforcement of such right or liability. Such enactment shall not be construed to relieve any person from punishment for an act committed in violation of any such legislative provision, nor to affect an indictment or prosecution therefor. For such purposes, any such legislative provision shall continue in full force notwithstanding its repeal for the purpose of revision and recodification.
- (b) The repeal provided above shall not affect:
 - (1) The grant or creation of a franchise, license, right, easement or privilege.
 - (2) The purchase, sale, lease or transfer of property.
 - (3) The appropriation or expenditure of money or promise or guarantee of payment.

- (4) The assumption of any contract or obligation.
- (5) The issuance and delivery of any bonds, obligations or other instruments of indebtedness.
- (6) The levy or imposition of taxes, assessments or charges.
- (7) The establishment, naming, vacating or grade level of any street or public way.
- (8) The dedication of property or plat approval.
- (9) The annexation and detachment of territory.
- (10) Any legislation enacted subsequent to January 1, 1993.

Section 3: That each section of the Codified Ordinances without an ordinance or resolution history at the end thereof indicates that the section contains new material which is hereby enacted by this adopting Ordinance.

Section 4: That through authentication and approval of this Ordinance, the Mayor and Clerk of Council shall certify that the permanent and general ordinances of the Municipality, as codified therein, are correctly set forth and constitute the Codified Ordinances of the City of Westlake, Ohio 1993.

Section 5: That it is found and determined that all formal actions of this Council concerning and relating to this legislation were adopted in an open meeting of this Council and that all deliberations of this Council and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements including Section 10, Article XI of the Charter of the City of Westlake.

Section 6: That this legislation is hereby declared to be an emergency measure immediately necessary for the preservation of the public health, safety and welfare, and for the further reason that it is immediately necessary for the earliest publication and distribution of the Codified Ordinances to the officials and residents of the Municipality, so as to facilitate administration, daily operation and avoid legal entanglements including conflict with general State law, and further provided it receives the affirmative vote of two-thirds of all members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor.

EDITOR'S NOTE

The arrangement and numbering of the Codified Ordinances into component codes, titles, chapters and sections are based on an adaptation of the decimal numbering system which is similar to that used in the Ohio Revised Code, and in accord with the best accepted practice in instituting a codification. Each section is self-identifying as to code, chapter and section number. For example, 305.06 indicates that the code number is 3, the chapter number is 305 (or the 5th chapter within code 3), and the section number is .06. The code and chapter numbers appear left of the decimal, with the code number preceding the first two digits left of the decimal, and the chapter number being all digits left of the decimal. The section number appears right of the decimal. As another example, 113.10 indicates the code number is 1, the chapter number is 113 (or the 13th chapter within code 1), and the section number is .10.

This numbering system has the advantage of inherent flexibility in allowing for an almost endless amount of expansion. Codes, titles and chapters initially are odd-numbered, thus reserving the use of even numbers for future legislation. Sections within chapters are consecutively numbered, except that penalty provisions are usually assigned the number .99 as used in the Revised Code. Newly created sections subsequent to the original codification may be indicated by three digits right of the decimal in the event the law properly belongs between two consecutively numbered sections. For example, newly created 575.061, 575.062 and 575.063 follow 575.06 and precede 575.07 to be placed in their logical position.

Section histories enable a user to trace the origin of the law contained in the section. The history indicates the derivation by reference to either its passage date and the ordinance number originally assigned to it at that time, or to its inclusion in any prior code. Sections without histories indicate that the section contains new matter which was ordained by the Adopting Ordinance which enacts the Codified Ordinances.

The Comparative Section Table is included to show the disposition of every ordinance included in the Codified Ordinances. It indicates whether a given ordinance was consolidated with another into one section or split into two or more sections. Cross references direct the user to subject matter reasonably related to material contained within a given chapter.

EXPLANATION OF TABLES OF SPECIAL ORDINANCES

The Codified Ordinances of Westlake cover all ordinances of a general and permanent nature. The provisions of such general and permanent ordinances are set forth in full in the Codified Ordinances. References must be made frequently to many special ordinances--particularly those related to property, such as dedications, vacating of property, easements, purchases, sale, etc. In the following Tables A through I, all such ordinances are listed. These tables list ordinances chronologically by subject, and include both a citation to and a brief description of each ordinance.
