

2012 Deer Management Program

The City of Westlake has been notified by the Cleveland Metroparks that they will be continuing their deer management program this winter. A portion of Bradley Woods Reservation is within the municipal boundaries of the city of Westlake and a deer herd reduction is planned for this reservation. From noon to as late as midnight, on several days during the period of Jan. 10 – March 10, 2012, the main body of Bradley Woods Reservation will be closed to the public.
