

Westlake D.A.R.E.

Drug Abuse Resistance Education

The Westlake D.A.R.E. van has been transformed into a terrific vehicle of color and design. Working with input from the Police Department, the Westlake Service Department used its expertise and skills in a number of areas to completely renovate the van.

To access the history of the van and view its interior, close ups of the graphics and a list of those who contributed to this project, see below.
