

COMPEER Community Linkage Team

Is Looking for Members!

The COMPEER Community Linkage Team (or the CCLT) is a Volunteer Group of caring people that provide encouragement to adults recovering from mental illness in social and community activities.

The COMPEER Program at Far West Center (on the Health Campus of St. John WestShore Hospital) provides monthly schedules of COMPEER facilitated social activities. Volunteers of the CCLT attend the activities and offer support and friendship to people with anxiety and isolation issues. CCLT members are asked to attend 2 activities per month, but may attend more if they wish.

Activities on the COMPEER schedule have included:

Bowling, Dining out for lunch,
Swimming, Community Festivals,
Picnics, Monthly Coffee Night, Parties,
and Game Nights
Consider joining the fun!

For information on CCLT Volunteer training, CCLT Membership, COMPEER Monthly Schedules, or other questions, please contact

Denise Ayres
