General Softball Information

The Monday/ Wednesday men's leagues are very popular. We will only be accepting 9 teams in each of the 2 leagues. The first 9 teams in each league *with* entry fees paid will be reserved a spot. This will be enforced this year!

New ASA rules this year include the condition of bats. If a bat has a crack or dent in it an umpire **WILL** remove it from play.

Also, we will now start with a 1 ball, 1 strike count. The batter **will** receive 1 foul ball after achieving a second strike. On the second foul ball with 2 strikes the batter will then be out.

All players must have a signed contract card WITH A COPY OF A PHOTO ID ATTACHED into the Recreation Department prior to playing their first game.

The WCR (Wild Card Runner) is no longer in effect. A courtesy runner may be used at anytime a runner is deemed to be in need. The courtesy runner will be the last person to make an out, (male for male and female for female).
