

Information on our Hilliard Blvd. Flower Boxes

Along Hilliard Blvd. we have over 224 flower boxes that are sponsored and planted by residents of Westlake. The boxes are 4' x 8' in size, with an inside planting size of 3' x 7'.

A Sponsor is required to buy and plant an average of 6-8 flats of **Annual Flowers** in their adopted flower box each year. They also are required to provide an average of 4-6 bags of wood chips for around the plants, which help keep the water moisture during the growing season. Additional information and guidelines will be provided if a box becomes available.

The City provides watering, weeding, and basic care of the plantings during the growing season from June to October and removal of all plants when the season is over. The Hilliard Flower Boxes are automatically entered in the " Westlake inBloom" competition each year.

If you are interested in sponsoring a Hilliard Flower Box please contact Gayle Hill, at City Hall, 440-617-4211. There is a waiting list at this time and if we have an opening we will call from this list.
