Roper Residential Lock Box Authorized For Use In Westlake

The Westlake Fire Department has authorized the Roper Lock Box for RESIDENTIAL USE ONLY for use in emergency situations. Call Westlake Fire Department at 440-871-3441 for more information.

There are two boxes to choose from. The first requires no installation and has an over door hanger that is placed over the hard door on the front door of your home. It holds one key. When the door is shut and locked the box is secure. The second box requires minimal installation (two screws). The box should be installed at the front entrance door, between the screen and hard door, on the hinged side of the door jam, approximately 5' high so it is out of the way. This weather proof box may be installed outside as well. A note may be put inside the box warning of aggressive or peculiar animals or medical conditions that may be encountered by the Firemen/Paramedics upon entry. This box holds 2 or 3 keys.

The cost for either Roper Box is around \$30.00. It is the resident's responsibility to purchase and install the box, contact WFD non-emergency at 440-871-3441 to have the box locked up, notify WFD when the entrance door locks are changed, and to maintain the box. A small reflective sticker will be put on the entrance door when the Fire Prevention inspectors lock the keys in box.

Only the Westlake Fire and Police Departments will have access to this box, for EMERGENCY USE only. The keys are designated to a specific code for Westlake. There is no guarantee of damage free entrance to your home; but this box will give a greater chance of quick entrance in case of emergencies.

You may purchase Roper boxes at:

ACE Hardware, 27255 Detroit Rd. (Detroit & Dover Center Rd.), Westlake
Make sure you specify that the box is for Westlake.
